

Hi there,

I hope your week is going well! While searching for resources in your community, I found your website to be very helpful! I figured you may be interested in the work my team is currently doing to help seniors throughout Tennessee.

Many aging adults are unaware of the available care options and programs that can help them maintain their independence and quality of life. So we created a free resource that provides comprehensive information on topics like financial support and in-home care options that are available in their area. You can read more about our work here:

- <https://www.caring.com/senior-care/in-home-care/tennessee>
- <https://www.caring.com/senior-care/in-home-care/>

We would appreciate the opportunity for you to include our resources on your website <https://www.cumcgreeneville.com/>, or anywhere you feel would be appropriate. It would be of tremendous value to senior citizens and their families in your community.

If I accidentally emailed the wrong person or if you have feedback about our resource guide, please let me know.

Looking forward to hearing from you soon!

Best,
